

A photograph of a smiling couple in wedding attire. The woman is wearing a white lace wedding dress and has a flower in her hair. The man is wearing a light grey suit jacket, a white shirt, a blue polka-dot bow tie, and a matching pocket square. They are standing outdoors with green foliage in the background.

Thank you for considering me to be your wedding photographer. I strongly believe the most important people on your wedding day are you and your guests. The moments and memories that you will share together will last for a lifetime.

ENGAGEMENT SESSIONS

Your wedding day is going to be a blur of new experiences and the most important thing for you to do is be able to relax and take them all in. Having your photo taken is not something most people are used to, it can be distracting, especially if you don't know the person taking the pictures or you aren't completely used to it. This is why I encourage everyone to have an engagement session before their big day.

These portrait sessions usually last for about an hour and let us work out all of those in front of the camera nerves well in advance so that when your wedding rolls around you can sit back, enjoy the experience and know that you're going to look great.

WHAT'S NEXT?

If you like my work and think we could be a good match then the next step is to get in touch and arrange a time for us to grab a coffee and talk about the details of your day.

I'm here to help so if anything is unclear or you'd like to tweak something to make it a perfect fit for you, just ask and I'll do everything I can to make the whole process as easy as possible.

I look forward to hearing from you soon!
